

Kingwood DermSpa
19701 Kingwood Drive Bldg. 6
Kingwood, Texas 77339

WELCOME!

Welcome to DermSurgery Associates/Kingwood DermSpa and thank you for choosing us!

With our commitment to provide you both quality and professional medical care, our fees have been carefully considered to be within reasonable fees of the state and local fee schedules. Please feel free to discuss any issues or questions you may have regarding your bill or insurance with our billing department or office staff.

Insurance Policy:

Our office accepts most major insurance plans (PPO; POS; EPO; MEDICARE; and some HMO'S). We will file your claim directly with your insurance carrier for you as well as verify your benefits. Please keep in mind that a verification of benefits is NOT a guarantee of payment for services rendered. In addition, it will be the responsibility of the patient to obtain any referrals necessary to see our providers from his/her primary care physician. All co-pays; deductibles; out of pocket expenses; and cosmetic or "non-covered services" will be due on the date of services at time of check out. We do not accept any type of insurance for the cosmetic side of the practice.

Payment methods:

For your convenience, our office accepts Visa; MasterCard; American Express; Discover and Care Credit as well as cash or checks. To use your Care Credit there must be a minimum charge of \$500 on the cosmetic side of the practice and a minimum charge of \$100 on the medical side of the practice.
